Greetings Nobles and Ladies:

Well, we made it! Summer has finally arrived! Although, as I write this, the "official" first day of summer on the calendar is still officially a week away. Like I have said many times before, you have to love roller coasters, because the Midwestern weather sure does take us on a lot of ups and downs.

Along with the summer, we have one of our seasons: Parade Season. If you ever have any doubts about our impact on the public by participating in parades, just ask anyone what they remember most about watching parades. The Shriners will be near the top of most everyone's memories. They are just not sure who we are or why we even exist. But, "times, they are a changing' ". We are no longer comfortable being "America's best kept secret". --Therefore, you

will be seeing more of our presence on television, and you will be hearing more of our information on radio.

It's great to see more people getting interested in participating in parades, because that is one of the easiest ways to get the public's attention. For many years, we have had the same units travelling to parades each and every weekend. Don't get me wrong, the men who maintain these parade units and keep them going year after year are a highly dedicated group, who spend countless hours, shedding blood, sweat and tears making sure that their respective vehicles are in top notch condition and looking their best for parade season. Then they use their own vehicles and gas to transport the units to various town's celebrations. This goes on all summer and fall, and even into the winter at times. It takes a special degree of sacrifice and dedication to give up every weekend to go to countless parades week in and week out. I am very proud of these men and happy to number them as friends of mine. And let's not forget their families. They deserve thanks for going along with all of this.

I am also proud to see the number of parade units increasing. For instance, it's good to see the formation of the Widow's Sons group form and participate. And the old jeep will be back making the rounds soon, hopefully. Plus the Hammerheads are gaining popularity. And there are several go carts nearly ready to go. If I have forgotten any, (and I'm sure that I have), I apologize. But, please, in our efforts to get more units involved, let's not forget our older units. The Crazy Ford, that little semi, Fireball, the Muppets, the Pedi cabs and the Camel Wheels are a few parade units that come to mind. If anyone knows of any stored units, let's try to get them going again. I realize that it can be a real challenge to "bring them back to life", but hearing someone say "I remember that car from years ago" is pretty rewarding. And if anyone knows of anyone who personally has a parade vehicle that they no longer want, let's try to get it back to KAABA and get it going again.

And, of course, right in the middle of parade season, we have the annual Imperial Session. This year it is in the Country Music Capitol of the World, Nashville Tennessee. This is the time that elected Divan members who also are voting members gather to discuss "Shrine law", and vote on any changes that may be needed. Personally, I find it very gratifying and quite awe inspiring to be in an auditorium with literally thousands of other like-minded Nobles. This year, I will be going, as well as Chief Rabban Mike Moore and Assistant Rabban Reg Hughell. This year's session runs from June 28 - July 4th.

Next, it's off to the Shrine Bowl at the Uni Dome in Cedar Falls Iowa on July 19 - 20. I'm really looking forward to meeting Alec, of television fame. He has done an outstanding job as one of our national patient ambassadors. If any of you have never been to the Shrine Bowl and its related festivities, such as the banquet, this will be the year to attend.

But wait, there's more - Then we move on into August and look forward to the CSSA Summer Session in Sioux City, Iowa. It runs from the 21 - 24th of August.

As you can see, it is a summer filled with opportunity. There are many chances for each of us to spread the word about Shriners and the wonderful medical care that we offer. There is a lot more "in the works", but we'll save that for the next issue.

As I close, let me leave you with this reassurance - Lady Kathy and I are here for you. If there is anything we can do, from finding answers to your questions to helping you with a difficult situation, don't hesitate to reach out to us. Some of us may not always see eye to eye, but ultimately, we are all in this for the same reason. It's all about the kids. Thanks for reading and have a great summer!!

Yours in the Faith
Vern Rode,
Potentate

Chief Rabban

Greetings Nobles and Ladies,

This year is winding down and I hope everyone is enjoying themselves. I am looking forward to the 2020 year and hopefully with your support I will be your next Illustrious Potentate. I am planning what I hope will be a great year like many years in the past. However, that said we still have six months left to go this year. Parades started for me June 1st in Birmingham. I hope everyone will take the time to parade some this summer. The kids really enjoy it and what better way to get our name out there about the Shrine and our mission to care for our kids.

June 29th Imperial is in Nashville through July 4th. Then July 19th and 20th is the time for our annual Shrine Bowl in Cedar Falls. You should have received 5 tickets to the game in the mail. I hope you will sell them or use them yourself. If you are not going to use them please send them back to the Temple so we can give them out to others that may need them or to kids in the Cedar Falls area. It is a very special year for the Shrine Bowl because not only will Alec be attending so will our Imperial Potentate Jeff Sowder.

Our final fund raiser for the year will be November 2nd the Sportsman Raffle. Bill Juhl has procured a nice list of guns again this year. Of course, if you don't want the gun you will get a gift certificate for the gun value that can be spent on anything in the Scheels store. You will be getting 5 tickets in the mail which I hope you will buy or sell. The money raised from the 5 tickets goes directly to the Temple. If you sell more than the five 25% stays with your club or unit. Iowa has been second in sales to Za Ga Zig the last couple of years. It would be nice to return to the top of the heap this year.

In closing thank you to all you Nobles for the advice, encouragement and friendship these last four years. I have learned a lot and still have much more to absorb from the wealth of information that is available in Kaaba and our sister Temples. I will be running for Potentate in December and hope you will give me the honor to represent all of you in 2020. I have put together a 7-day cruise January 11 – 18 of 2020 through Destinations Unlimited. I will be asking for permission to call it a Shrine Cruise, but for now it is just a cruise. The price is very reasonable about \$1500.00/person which includes plane, free bar, food, room with balcony and several other perks. It requires a \$100 deposit to hold a reservation and that is totally refundable, if you should not to go by September 1, 2019. I thought this is a great way to start off a Shrine year with a party in warm weather. Thank you again and I hope to see you parading. **Respectfully, Mike Moore, Chief Rabban**

Hello Nobles!

Now that the rain has stopped (for the time being anyway) it is time to parade! We hope to see you at many this summer.

On July 4, however, I will not be at parades as I will be returning from the Shrine Imperial Convention in Nashville, Tennessee. This is our opportunity as Divan members to share ideas with Shrine Temple members from all across the United States, and learn what is happening on a national level within the Shrine organization.

The month of July activities continue with the Shrine Bowl in Cedar Rapids on July 20. We have some great young men and women who will have put in many hours of practice to play and cheer at the Shrine Bowl. They, as well as the Shrine Committee who works hard to put on this fundraising event, deserve our support.

This is the largest fundraising event our Temple has. And while we are all enjoying summer, fall is soon to come. It is not too early to begin setting up your tables to sell those Sportsman's Raffle tickets. Remember - for each ticket sold by your club you will profit 25% of the sale price for your home club (this does not include the 5 tickets sent in the mail to you directly from the Temple). Nobles.....start your selling!!!! Have a safe and happy summer!

Heavy Q-C presence in summer's Shrine Game

[Matt Coss --mcoss@gctimes.com](mailto:mcoss@gctimes.com) April 2, 2019

When the 47th annual Iowa Shrine All-Star Football Game commences in UNI-Dome this summer, it will have plenty of Quad-Cities flavor.

Bettendorf, Davenport Assumption, Davenport Central, Davenport North, North Scott and Pleasant Valley each will have a representative in the game featuring the state's top seniors.

Nearby Durant, West Liberty, Wilton and Bellevue also have a player competing in the contest.

"It just shows how good football is in this area," North Scott receiver and defensive back Carson Rollinger said Tuesday following the media day at the Kaaba Shrine in Davenport. "I think sometimes this area gets overlooked, but I think this shows how good our area really was this year."

Carter Bell (Bettendorf), Anthony Valainis (Assumption), Diontrel Wommack (Central), Brant Carter (North), Rollinger and Evan Kilstrom (PV) have been selected to participate in the July 20 game for the South Squad.

"It is going to be super fun to get one last game with these guys I've known for a long time," Kilstrom said. "Either playing against them or seeing them at camps or on (college) visits, I've gotten to know a lot of these guys."

Last year's game raised \$80,000 for the Shriner's Hospital and has generated more than \$2.6 million since its inception.

It'll be more than just a football game.

The players will spend a week in the dormitories at Northern Iowa, have two-a-day workouts and form lasting friendships.

There is a mini-camp on Friday, July 19 with Shriner's Hospital children at the UNI-Dome, a chance for them to interact with all-state players.

"Since I was young, I've seen the Shrine Bowl played on television," Carter said. "I wanted to be part of that game. It is a chance to compete and surround yourself with the best high school players in Iowa, but it is something great for the Shriners Hospital and help those in need.

"It is an honor to play in this game."

All six metro players have signed or committed to play beyond high school.

For some, it will be a springboard into their college careers. For others, it is a break from the summer workouts in their new home.

"I'm looking forward to seeing where my skill level is against higher-tier players," said Wommack, who will play football at Iowa Western Community College in the fall. "It is a good practice run for what I'm going to get into when I go to college.

"It has been a while since someone from Central has been in this game. I'm just really, really blessed and happy for the community."

Durant all-state receiver Mason Compton, Wilton quarterback Jerome Mays and West Liberty all-state defensive lineman Spencer Daufeldt also are members of the South Squad, coached by West Branch's Butch Pedersen.

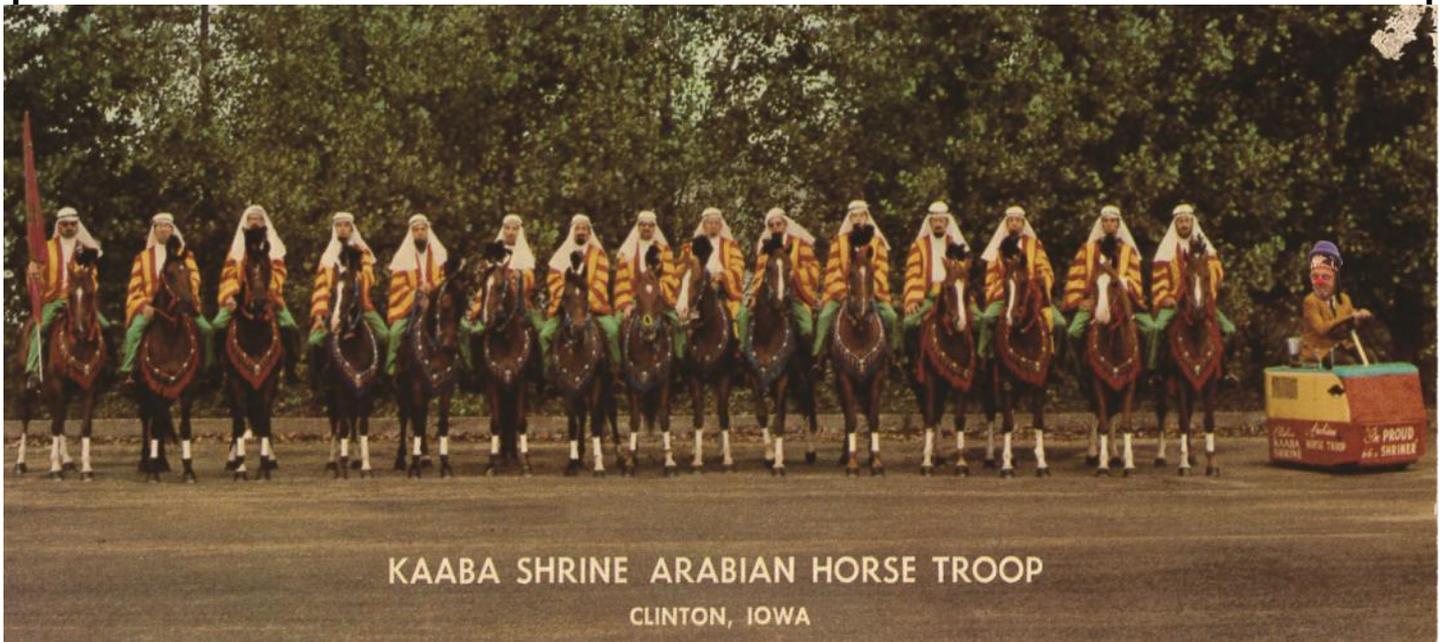

Bellevue's Trey Daugherty will play for the North Squad.

"There is a lot of good talent in the Quad-Cities right now," said Ryan Hetzler, Wilton's head coach and one of Pedersen's assistants. "We wanted to take more kids from this area, but there are certain guidelines we need to follow in constructing the roster."

It was great to have 1992 past potentate Bill Hancock join us in the Eldon parade. Bill rode in the lead Rag Top convertible with John followed by Dan in his Rag Top carrying me and Bill in his Rag top carrying Reg.

Also the Nobles from Eldon brought the Pad-dy Wagon. Frank Patterson with his golf cart and friendly gorilla was there and of course the Hillbilly band. A wonderful parade and hospitality. Thanks Eldon Nobles.

The Kaaba Shrine Arabian Horse Troop, Headquarters in Clinton IA was well know as one of the most colorful and best disciplined mounted units participating in parades and precision drill routines. He mounts were required Bay or chestnut in color, with each trooper owning and maintaining his own Horse.

The Fort Madison Shrine Club has been selling sportsman's raffle tickets and getting ready for parade season. We have been taking some hospital trips. One of these trips has been to Chicago. The young man that we've been taking there from January 2018 to April 2019 has made very good improvements and will not have to go for a year until his next check-up. With this young man being 10 years old, our drivers have gotten close to him and his family, and have learned a lot about who he is, his likes, dislikes, hopes and dreams during our trips with him. We have discovered recently that he has lost two grandmothers in the past few months and wanted to show our support and maybe ease the pain of the loss for everyone in that family. So, the club discussed and unanimously decided to present them with four Circa 21 show tickets to one of their favorite venues in June; "The Return: Tribute to The Beatles" in Rock Island. Included are a few pictures of the presentation of these tickets to the family. We'll let you know how it went in the next Kaabagram.

In May, we received a donated new shrine unit (in need of a lot of repair) from a local resident in Burlington. Elaine and Barb came across this unit as they were cleaning their property and knew it had to be a shrine unit at one time and thought the best place for it would be back with us. One of the FMSC nobles will be working on this unit for the next few months and we will continue to get pictures to update anyone interested in the rebuild process. Enjoy these first few images of this diamond in the rough.

The Burlington Flea Market, located at the Fairground on the Southeastern Community College campus has extended a welcome to the Fort Madison Shrine Club by paying for a spot to sit and sell sportsman's raffle tickets during the second Sunday of each month. Bob McCullough, the director of this event had a son that the shrine had helped years ago and was thrilled to have us come and be a part of this annual event. Our booth will be located at the main entrance, the sidewalk directly into the main grounds.

FMSC holds monthly stated meetings on the third Wednesday of each month; all are welcome to join us at any time. All Nobles have a safe and fun summer.

LOUISA COUNTY SHRINE CLUB

April 14, 2019

Louisa County Shrine Club was having their monthly meeting at Hal Collivers. Noble Dan Peters, a member of the club, presented a very large stuffed bear to the Louisa SC that he and his lady Anita brought back with them from Texas. This was a very special bear presented to Dan by Kaleb Walker a 4th grader at Corina Pena Elementary School in Penitas, Texas.

Kaleb introduced “Senor Osito” (that means Mr. Bear) to Dan. Kaleb explained he had won him in a raffle and Senor Osito had brought a lot of joy to his heart for the few days he lived with him. He wanted to donate him to the children of the Shriners Hospital. Kaleb asked Dan to accept his gift and hoped it would bring much joy to all the children in the Shriner’s Hospital.

Dan made a special friend in Texas who has a kind heart and caring ways.

The Louisa County SC then presented Senor Osito to Potentate Vern Rode and his Divan members from KAABA Temple. KAABA’s job is to make the final leg of the trip to one of our hospitals and present Senior Osito to them for the hospital kids.

If you would like to send a note of thanks to Kaleb, he can be reached at 16438 Lozano Lane, Penitas, Tx 78576. Thank you, Dan and Anita and a special thank you to Kaleb Walker.
